## HELLO YOUNG PEOPLE AND PARENTS!

Given that many remain under stay-at-home orders, we wanted to help get young people up and moving to ease the boredom by doing something unique and creative.

Consider painting, drawing, sketching, or photography, and enter the first ever HUD Public and Indian Housing Youth Art Competition.

### IT'S SIMPLE AS 1-2-3:

1. CREATE your painting, drawing, sketch, or photography (old or new).
2. SUBMIT your art to the [PIHART@hud.gov](mailto:PIHART@hud.gov) email.
3. The HUD team will then review and judge all entries to select winners.

*The winners will be recognized, along with their artworks through HUD social media (pending parental consent)*
